

GPW01

Architect-designed sensuous window handle

This handle matches the lever handle GLP01, designed by the consummate Italian designer Giò Ponti. It has been created to sit comfortably alongside the door lever, which was inspired by the one that Ponti used on his exquisitely slender Pirelli Tower in Milan. Like all Izé luxury hardware, the window handle is available in all the Izé finishes.

Length : 120 mm

Projection : 65 mm

Rose length : 70 mm

Finish : available in all izé finishes
