

bone lever handle 2 / Faye Toogood

izé

TGL02

Organic tactile lever handle by imaginative designer

This handle, with its heavy organic form in the shape of a bone, is part of the collection Sticks and Stones and Broken Bones by Faye Toogood. In this collection she has sought to bring the tactile textures of the natural world to the usually geometric realm of hardware. Like all izé luxury door hardware, the lever handle is available in the full range of izé materials.

Width : 40 mm

Length : 135 mm

Projection : 63 mm

Rose Diameter : 50 mm

Finish : Available in all izé finishes
