Architect-designed luxury door knob

Designed by David Adjaye, one of the most important architects on the world stage, this knob co-ordinates with the Ana T-lever handle. Like the lever, it combines two lengths of tube at right angles, to provide a comfortable and elegant knob with a slightly surprising aesthetic. Like all izé luxury door hardware, the door knob is available in the full range of izé materials.

length : 60

Projection : 60 mm

Rose Diameter : 50 mm

Finish : Available in all ize finishes
