Luxury pull handle based on a historic design

This is one of three pull handles that izé produced for the 34 Mayfair restaurant. Martin Brudnizki Design Studio took inspiration from Edwardian and Art Deco designs and, in keeping with the retro feel, izé adapted the design from an old Comyn Ching catalogue of the 1940s, bought at auction. They would be ideal for use on projects that also want a retro vibe. Like all izé luxury door handles, the pull handles are available in the full range of izé finishes.

Length : 300 mm

Projection : 60 mm

Finish : Available in all izé finishes
