

NOVAP02

A combination of all Nova handle designs, this pull handle encompasses the shape of the privacy turn at the top and bottom of the oak insert, proving that Lynch Architects left no stone unturned during the design process to mimic the motif of the estate. Originally made with a satin nickel-plated finish, the handles can be finished in all izé finishes from the range.

Length : 400mm

Width : 18mm

Projection : 55mm

Rose Diameter : 50mm

Finishes : available in all izé finishes
