

## basics lever handle, wenge grip by Sergison Bates

**izé**

### SBL02

This lever handle, designed by Sergison Bates, one of the most thoughtful and sophisticated practices, is part of a family of hardware that shares a common language of form and making, based on bending, folding and fabricating. This variant has a wenge grip, with the dark wood finish giving a warmer appearance. Like all izé luxury door hardware, the lever handle is available in the full range of izé materials.

**Length** : 158 mm

**Projection** : 58 mm

**Rose diameter** : 50 mm

**Finish** : Satin stainless steel, polished stainless steel and physical vapor deposition
