SBE01

Architect-designed luxury escutcheon

This escutcheon is part of the range designed by Sergison Bates, one of the most thoughtful and sophisticated practices. It is part of a comprehensive family of hardware that shares a common language of form and making, based on bending, folding and fabricating. Like all izé luxury door hardware, the escutcheon is available in the full range of izé materials.

Diameter : 50 mm

Finish : Satin stainless steel, polished stainless steel and Physical vapour deposition
